Moderated By: Lexy Kessler @KesslerLexy
Partner
Aronson LLC

Lexy Kessler is the partner-in-charge of Aronson's Government Contract Services Group. Lexy, CPA, CGMA, connects her clients with the solutions, resources, and contacts that they need to succeed in an ever-changing government landscape. With a reputation for candor and the ability to get to the heart of any issue, her clients rely upon her straightforward answers to complex business issues. Lexy's extensive expertise in assurance, tax, and consulting allows her to help clients balance the challenges and opportunities inherent to the business of being a government contractor.

Lisa Wolford @CWestGovCon
President & CEO
Constellation West

Lisa Wolford founded Constellation West in 1997 after serving in the Marine Corps, earning a business degree, and starting a family. Since then, she has grown the company into a multi-million dollar IT engineering powerhouse, with nearly 200 employees across 20 states.

Today, she is an award-winning business leader, who has been recognized not only for her business success, but also for her dedication to supporting our nation's veterans. Lisa began her service to the country when she joined the Marine Corps in 1981 and was honorably discharged in 1985, having attained the rank of corporal. While in the Corps, she initially worked in Communications as a Field Radio Operator, later moving to the Battalion level working as Unit Diary Clerk before being promoted to Assistant Unit Diary Chief.

Mary Williams @_MTEQ_
President & CEO
MTEQ

Mary Williams serves as the President and CEO of MTEQ. She has over 20 years of management and leadership experience in technology driven small businesses. Mary brings a focused, experience-based leadership to MTEQ with expertise in engineering, remote sensing, and prototype-manufacturing. She is a well-respected hyperspectral expert, engineer, and technical leader within the Department of Defense (DoD) research and development community for applied sensor technologies. In 2005, Mary formed it into a 160-employee, full-service solutions provider of innovative engineering services, and complex hardware support.

DeEtte Gray @CACIIntl
President of U.S. Operations
CACI International, Inc.

DeEtte Gray is President of U.S. Operations for CACI International Inc. In this position, she leads all of CACI's U.S. Operations business groups in serving customers with excellence and driving company growth. She brings an exceptional track record of developing strong customer relationships and perpetuating a culture of inclusion, teamwork, and innovation. Before joining CACI, DeEtte served as president of BAE Systems' Intelligence & Security sector for five years. In this role, she oversaw the delivery of a broad range of solutions and services, including information technology, intelligence analysis, cyber operations, and systems engineering, integration, and sustainment that enable military and government customers to meet their mission demands. DeEtte is active in defense industry associations and serves on the executive committee for the Armed Forces Communications and Electronics Association.
